

What is God's grace & how do we receive it?

Sermon
Notes

Read *Hebrews 4:16*. Are you motivated by God's grace to pray? Why or why not?

How can we guard against serving God for selfish reasons rather than for Christ's sake?

The word *called* occurs 3 times in *Romans 1:1-7*. Who calls (*1 Corinthians 1:9*)? Who are the called? What are the called to be & do?

Paul *received grace & apostleship (Romans 1:5)*. As a Christian, you have *received grace &* what area of service?

Why is it important to emphasize God's calling & His special love as the basis for our service? What can happen practically if we forget this?

What do these verses teach about God's love and election?

Colossians 3:12~

2 Thessalonians 2:13~

1 Thessalonians 1:3~

Paul's greeting in *Romans 1:7* mentions *grace & peace*. Are you currently experiencing God's grace & peace in your life?

When life's storms toss you around, are you anchored in the peace that only comes in an intimate walk with the God who is lovingly guiding every storm for your good?
