How can we fight against this?

Sermon
Notes

19. How can we pray for each other this week?

Quotes to Ponder

He is a God who keeps His promise in ways that cannot always be predicted. And He is a God who is utterly free to choose to give His undeserved mercy to whomever He wants, and to continue to choose to give others over to the life and destiny that they have chosen.

God has always been the God who blesses those who do not deserve it and could not have predicted it.

Timothy Keller

We are Christians by the sheer grace of God alone. We might wonder why God redeems anyone. The only answer I can provide is the great love the Father has for His Son. The Father will not allow the Son to see the travail of His soul and not be satisfied.

R. C. Sproul

Whenever you see God judge don't say, "How can He be so mean?" It's just. Whenever you see God show mercy, think, "There is no earthly reason for that, but the love of God, the grace of God, and the mercy of God."

Ligon Duncan

The Lord's destruction of those two morally perverted cities (Sodom and Gomorrah) became a byword for total annihilation without a trace remaining. Only God's grace has prevented such ultimate and total destruction of the entire world.
